The Concierge Plan

Proactive support and peace of mind.

Stay ahead of care challenges with consistent support and trusted guidance. Perfect for out-of-town families who want confidence their loved one's care is covered.

Benefits include:

Monthly Wellness Check-Ins

Stay ahead of issues with monthly reviews involving your loved one, caregiver, and family. Ensure care plans are followed and concerns are addressed early.

Unlimited Concierge Consultations

Schedule a call with us anytime during business hours when you need extra support, have questions, or require special guidance with family or care situations.

Quick Access to Senior Care Resources on Request

Skip the endless searching. Get instant access to vetted providers for home modifications, in-home care, hospice, placement options, and more.

Annual Medicare & Insurance Review

Licensed specialists help optimize coverage and reduce costs, with guidance on long-term care and life insurance strategies.

Private Facebook Community Access

Join The Open Arms Care Network, a private, supportive space for families, caregivers, and professionals to connect, share, and learn.
